RETURNS POLICY

PERISHABLES & AMBIENT PRODUCT

Storage Instructions: Fresh Meat, Charcuterie & Artisan Cheese Hampers. Store fresh in fridge upon delivery and refer to label for shelf life and further information. Fresh meat can be frozen immediately.

All fresh meat products are prepared/cut and packed day before delivery. All bacon products are cut/sliced and packed day before delivery.

Please inspect all ambient produce, dairy/cheese, charcuterie, fresh meat and poultry products thoroughly at time of delivery. Due to product integrity and food safety concerns resulting from excessive handling, temperature control fluctuations, and other chain of product control quality issues, ambient produce, dairy/cheese, charcuterie, fresh meat and poultry products are not returnable except at time of delivery.

Blair House Farm is confident that we will meet your expectations. However, if for any reason, you are not completely satisfied or, should you have a complaint, we will be happy to discuss this with you. Sometimes we may make mistakes in cutting and packing your order. We check your order and try to catch these. If you find an error, let us know and we will correct it immediately.

Where products supplied are damaged, incorrect or faulty and you have notified us on delivery or within 12 hours of delivery of the order, we will either replace the product or issue a full refund to value of damaged, incorrect or faulty product to you, no later than 30 days from notification.

For further information on our products, please contact us by email at: bhfdistribution@gmail.com
